Description	Quantity	Amount	Total
Registration (includes lunch, beverages, snacks*) per person		\$40	
CGC Evaluation, per dog		\$10	
Trick Title Testing, Novice only, per dog		\$10	

Name: _____

Address: _____

Email: _____ Phone: _____

*A catered lunch will be served: Chicken Salad on croissants, Beef Prime Rib with caramelized onions and provolone on homemade yeast rolls, Tortellini Pasta Salad with artichoke hearts, roasted red peppers, spinach in a light lemon vinaigrette. Beverages include coffee, iced tea, and water. Light pastries and cookies available during breaks. If you have a food allergy, please plan to bring your own lunch and snacks.

The 2023 Education Day is primarily focused on providing educational information on canine health and wellbeing for *dog owners*. **The facility has placed limits on the total number of dogs, and we will comply with those limits. Obviously, you will need to bring your dog if you are participating in CGC or Trick Dog Evaluation, and you will be able to reserve your spot when you make your reservation.** Also, portions of the seminar will have dogs as part of the program for demonstration purposes.

Bringing your dog to the event will be first come, first serve for attendees. Once your registration form has been received, you will receive a confirmation email. Also, you should indicate on your reservation form below* if you would like to bring your dog for fun or to participate in the Dancing with Dogs portion of the program. As the reservation deadline approaches, we will have a better idea if there will be space available for extra dogs. We will notify you if there is room for your dog based on our limit.

* I am NOT in CGC or Trick Dog & want to bring my dog. Contact me if space is available: _____

Thank you for supporting our education day! Organized by the SSCH Committee: Cora Hummel & Janette Nowak co-chairman; Carol Bennett, Dena Drago, Mendy Gleason, Ann Kutchka, Phyllis Reidy, Vickey Willard
